## Announcements

*A Thought to Ponder: "With mighty power the disciples preached a crucified and risen Saviour. Signs and wonders were wrought by them in the name of Jesus; the sick were healed; and a man who had been lame from his birth was restored to perfect soundness and entered with Peter and John into the temple, walking and leaping and praising God in the sight of all the people. The news spread, and the people began to press around the disciples. Many ran together, greatly astonished at the cure that had been wrought."*
