Help Wanted: A new solution for our Camp Cook needs – We are trying a new approach that will allow some of the great cooks on the island an opportunity to participate in the meetings and activities at camp as well as bless our members with wonderful food! We are looking for three teams of two cooks who would each be responsible for one meal a day – one team would do breakfasts, one lunches and one suppers. Each team would be responsible for preparing and serving their meal which would include a vegan option as well as helping with an hour and a half of food prep after supper each day. To make this work we need one person to be responsible for logistics – to buy the food, deliver it to camp, update meal prep sheets and to help ensure that everything is where it needs to be on time. This logistics person would need to know how to use Excel and be willing to be available at least a couple of days before camp meeting begins. Please call Christine at 709-682-0284 or email cbergen@sdanf.org

Thank you for remembering our Bay Roberts area Community Food Bank. Donations of non-perishables can be made to the basket in the foyer. Thank you.
